

Prestige Fountain Blue

Electronic City, Bangalore

Prestige Group

The Prestige Group owes its origin to Mr. Razack Sattar, who envisioned a success story waiting to take shape in the Retail Business in 1956 itself. Since its formation in 1986, Prestige Estates Projects has grown swiftly to become one of South India's leading Property Developers, helping shape the skyline across the Residential, Commercial, Retail, Leisure & Hospitality sectors.

The background image shows a modern, multi-story residential building with a mix of brown and grey facade panels and large glass windows. The ground floor is landscaped with various green plants and trees. A paved area in the foreground has a curved, concentric pattern, and a dark-colored car is parked on it. The overall scene is bright and clear, suggesting a sunny day.

**Why
Prestige Fountain Blue.....?**

A modern living room interior. In the center is a white L-shaped sofa with several patterned and solid-colored throw pillows. In front of the sofa is a dark wood coffee table with a white rectangular planter box on top. To the left is a dark wood media console with a flat-screen TV mounted on the wall above it. A large window with horizontal blinds is in the background, and a floor lamp with a curved metal frame stands near it.
